

Architectural Design, Level I:
Perceptions and Processes

Meejin Yoon, Professor

Problem 2: Recording Device – Drawing (on) the City

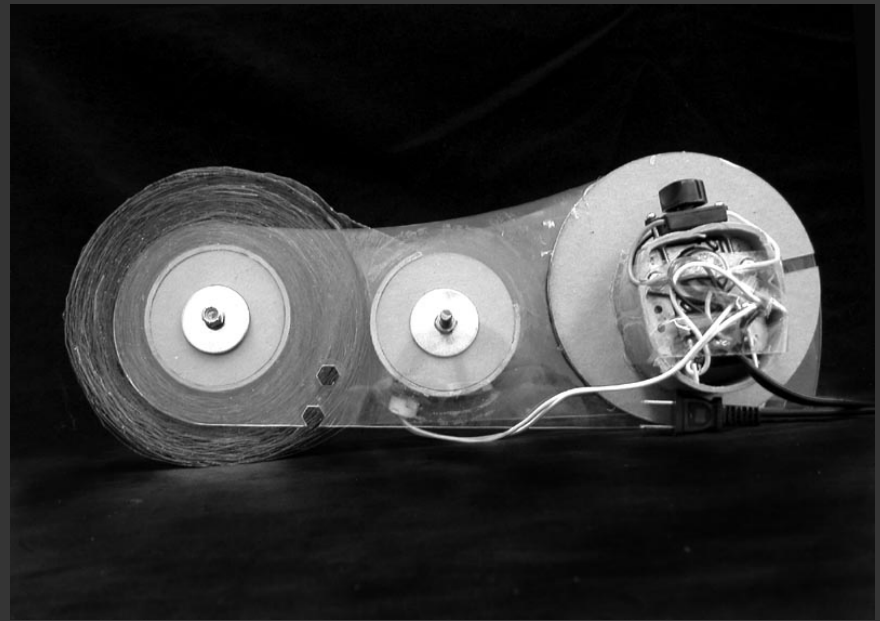

RECORDING DEVICE - DRAWING (ON) THE CITY

A device that records by taking up artifacts of
the place, designed by Milena Tsvetkova.

4.123 Architecture Studio Level I F03
Perceptions and Processes
Meejin Yoon, Professor
Problem 2: Recording Device

The device then becomes a film projection of the artifacts, displaying what was recorded.

Problem 2: Recording Device

360 degree photographs document one location,
but over a certain period of time. Even in
this short time, the space changes. Work
by James Shen.
