

*Please provide your thoughts and comments on the paper. What is the goal of the paper. Does it achieve this goal? What was the most important thing(s) you learned from this paper? What aspects were particularly surprising? Do you feel that the conclusions are adequately supported? Can you identify shortcomings of the study design or execution for achieving the goals? Are there any specific analyses that you feel should have been included but are missing? Please provide any additional comments and thoughts that can stimulate discussion in class.*
